

JIMMY GIRVAN

Jimmy Girvan, an Honorary Life member of the club was tragically taken from us in an accident on the McRae Stages on 25th September 2010.

Jimmy was a big part of Highland Car Club and he touched so many lives both in rallying and elsewhere. He was an inspiration and a great character and we will all miss him very much.

Our heartfelt sympathies go to Fiona and Caitlin, and the rest of his family at this difficult time.
