

## Return to the Misty Isle

For the 2009 5<sup>th</sup> anniversary running of La Crofterra Pandemonia we are returning to the “Misty Isle” of Skye. Retracing the route of ‘La Crofterra’ 2005 in the reverse direction we promise a great experience for newcomers and “old crofters” alike!

La Crofterra Pandemonia is a tour for Classic, Historic and Sports cars held annually in September, visiting some of the most remote parts of northern Scotland, with challenging roads, superb scenery and of course the famous Highland hospitality.

The event will start in Inverness on Saturday 26<sup>th</sup> September, with an overnight stay in Portree. We will return to Inverness on Sunday 27<sup>th</sup> September. It is open to any cars of a type manufactured before 1982 or sports/GT cars of any age. Entry fee this year stays at £80 which includes the crossing on the famous Glenelg Ferry. Accommodation in Portree is not included, but accommodation lists can be made available
